DESIGN AND BUY

More than just inventory homes. Let buyers design their dream homes and then go under contract

DYNAMIC CONTRACTS

DocuSign Contracts are created dynamically and reflect the home that the buyer designed

SECURE DEPOSITS

Create your own deposit terms and leverage Stripe for secure payments

MULTIPLE APPLICATIONS

Let multiple buyers put in reservation requests and use the dashboard to approve or deny

- **Close Faster** by letting your customers go further down the sales funnel on their own. Buyers
- **Optimize Sales** by screening leads and approving those that match your goals, whether that is the most expensive design or the fastest closing
